1895-3

Once in the dear dead days beyond recall
When on the world the mists began to fall
Out of the dreams that were in happy throng
Love to our hearts
Love song an old song
And in the dusk where fell the twilight gleam
Softly it wove itself into our dream
Just a song at twilight when the lights are low
And the flickering shadows softly come and go
Though the heart be weary sad the day and long
Still to us at twilight comes love old sweet song
Comes love old sweet song
